

JLB

Championship

SATURDAY, SEPTEMBER 28

With your help, we can make the JLB Championship at Jake Gaither Golf Course one of Tallahassee's premiere tournaments.

Johnnie Lee Brown, a.k.a. Mr. 59, has been playing golf since he was a youth caddying at Capital City Country Club. Despite sharing only two to four clubs among all the caddies, Johnnie Lee's love for the game was ignited. He went on to nurture his newfound passion by playing the game regularly. Seeing golf as an outlet for Tallahassee's youth, Johnnie Lee mentored many of them in the game, often becoming a father figure. In 1984, he stepped on the 9-hole course at Jake Gaither and set an unprecedented 18-hole score of 59. 40 years later, that record still stands.

In 2018, we started the JLB Championship to honor Johnnie Lee Brown and bring true championship play to Jake Gaither Golf Course. Help us celebrate Johnnie Lee's and the course's positive impact on this community. Make a contribution today that will raise the stakes and establish the JLB Championship as a premiere tournament in Tallahassee.
